STAMPING TECHNIQUES

Video tutorial: <https://youtu.be/VAMgQa4AChA>

2. Retiform

Basic Supplies:

- Blending Brushes, sponges, OR daubers
- Large sticky notes
- Stamps
- Inks
- White or vanilla cardstock: 3 3/4" x 5"
- Cardstock: 3 7/8" x 5 1/8"
- Cardstock: 8 1/2" x 5 1/2", scored at 4 1/4"

Technique:

1. Adhere sticky notes in two non-parallel lines on your white or vanilla cardstock so that there is an open space in the center.
2. Use a blending brush, sponge or dauber to add ink on the edges of the sticky notes.
3. Remove sticky notes.
4. Do the same thing, but place your sticky notes going the opposite direction on the white or vanilla cardstock.
5. Remove sticky notes.
6. Add ink around the outside edges of the white or vanilla cardstock with your blending brushes, sponges, or dauber.
7. Choose one section. Line sticky notes up with the edges of that section, leaving the section open.
8. Stamp images inside the section. (You can use 1 color of ink or a few colors).
9. Repeat with all of the other sections.
10. Adhere the white or vanilla cardstock to the 3 7/8" x 5 1/8" cardstock.
11. Use Stampin' Dimensionals to adhere the cardstock to the front of the card base.
