STAMPING TECHNIQUES

Video tutorial: <https://youtu.be/kHdv5PaBLBw>

5 Double Stamped Vellum

Basic Supplies:

- Versamark ink
- White embossing powder
- Heat tool
- White cardstock
- Dies or punches that create 2 sizes of the same shape
- Stampin' Dimensionals
- Ink
- Stamps

Dimensions for sample card:

- Basic White (card base): 8 1/2" x 5 1/2", score at 4 1/4"
- Basic White (layer): 5 1/4" x 4"
- Basic White (frame): 3" x 3"
- Vellum: 2 5/8" x 2 5/8"

Technique:

1. Stamp images in Versamark on vellum. Emboss with white embossing powder.
2. Turn the vellum over, stamp additional images with dye ink (Classic Stampin' Pads).
3. Let the stamped images dry. (You can use your heat tool to help but use low heat and move constantly for a short time so that you don't re-melt the embossing powder.)
4. Use two dies to cut a frame. (Sample card uses the Stylish Shapes dies.)
5. Adhere the vellum to the back of the frame.
6. Using Stampin' Dimensionals, adhere the vellum to the card front.
