

ON Y GO!

STAMPING TECHNIQUES

Video tutorial: <https://youtu.be/gspT5zIPgBQ>

7 Strip & Flip

Supplies:

- Cardstock (base): 8 1/2" x 5 1/2", scored at 4 1/4"
- Basic White cardstock: 5 1/4" x 4"
- Patterned Paper: 10-12 strips that are 1/4" - 3/4" wide and at least 4" long.
- Additional cardstock scraps for stamping Sentiment stamps
- Multipurpose Glue
- Ink
- Paper Snips
- Paper Trimmer

Technique:

1. Put multipurpose glue on the piece of Basic White cardstock.
2. Adhere strips of patterned paper to the Basic White. Butt the pieces together without overlapping. It's ok if the ends hang off the side of the Basic White cardstock.
3. Using Paper Snips, trim the edges of the patterned paper to align with the edges of the Basic White.
4. Cut the Basic White at 3/4". Then, at 1/2". Then, cut a small 1/8" sliver. (Throw this sliver away.)
5. Adhere the largest section to the left of your card front. Adhere the 3/4" section to the right side of your card front. Then, flip the 1/2" strip and adhere it to the spot between the other two sections.
6. Stamp a sentiment and adhere to the card front.
