Patterned paper: (2 pieces) 4" x 2 1/2"
Coordinating patterned paper: 4" x 3"
white or vanilla cardstock: 2 1/4" x 4"

Tips:

1. Score the cardstock at 2 3/4" and 5 1/2".
2. Adhere one piece of patterned paper (4" x 2 1/2") to the left section.
3. Lay the die over the score line on the left side. Use washi tape or a sticky note to hold it in place.
4. Put the paper on your cutting plate. Lay the top plate over the left section only. Line up the top cutting plate with the score line in the center of the die. Cut.
5. Peel the patterned paper off the die-cut section.
6. Fold the card.
7. Using the same die, cut two more pieces from scrap white or vanilla cardstock.
8. Stamp the sentiment or images on the two die-cut pieces. Adhere the pieces to either side of the die cut area. Make sure that the edges are lined up.
9. Adhere the other pieces of patterned paper and white or vanilla cardstock to the card.
